No. LS-74/1/2015

Date: 21.05.2015

**ORDER**

It has come to our knowledge that sometimes surprise inspections, based on complaints, are conducted without taking permission from the heads of the offices. It is felt that this practice is not conducive for creating a fair environment of business & commercial activities.

Therefore, the Governor is pleased to order that henceforth no surprise inspections, based on complaints, shall be done without obtaining prior permission from the controlling authority or the Heads of the respective offices. This will apply to all the offices/directorates/field/regional/zonal office under the Labour Department and this order will have immediate effect.
