No. LS-138/1/2014

Date: 30-10-2014

ORDER

It has been under contemplation of Labour Department for some time past that Single Window Facility should be provided to the entrepreneurs to ensure seamless, hassle-free service to them. Now after careful consideration, the Governor is pleased to set up Single Window Facility at the office of the Labour Commissionerate with immediate effect. The entrepreneurs need not move about in the various Directorates of the Labour Department for getting necessary clearances. They can just go to the Labour Commissionerate and submit their applications relating to clearances required from any Directorate under Factories Act, Boiler Act, Shops and Establishment Act. They will receive necessary clearances from the Single Window Facility which is being set up as per prescribed timeline. Labour Commissioner, West Bengal is hereby declared as the Nodal Officer to run the Single Window Facility properly and he will provide necessary manpower and logistic support for this purpose.

This order will have immediate effect.
